

March 29, 2009

I am writing you on behalf of the Union Evangelical Lutheran Church's Disaster Relief Volunteers/Missionaries.

Each year volunteers/missionaries from Union Lutheran Church devote a week away from work and family to help others in need due to recent disasters. Our skilled teams have built homes, installed roofing, drywall, kitchens, trim, and have done repairs, painted, etc. We have traveled to such places as Puerto Rico, Ohio River Valley, Mississippi, North Carolina and Florida. In conjunction with the ULC Journeymen's group we have also completed some local projects, and we participate with Habitat for Humanity during ELCA Blitz Weeks.

Plans are underway for a Disaster Response Trip to Columbus, Indiana during the week of April 19th, 2009. We will be rebuilding homes destroyed and damaged by Spring Flooding.

Last year, we traveled to Greensburg, Kansas to help with the rebuilding of the town following an EF-5 tornado. Pictures and additional information on last year's trip is available at:

Your financial donation or building materials/tools would go a long way to assisting the ULC Disaster Relief Volunteers as we travel to Columbus, Indiana in April. In return for your generosity, we will ensure that your business is noted as a trip sponsor in any publicity we receive. Your donation is tax-deductible, and receipts will be available upon request for your tax purposes. Please make checks payable to Union Lutheran Church and note Disaster Relief in the memo.

Thank you for considering our request. If you have any questions or need further information, please feel free to contact me. I will follow up with a phone call in the next couple of days.

Sincerely,
